

INTRODUCING GLEMHAM HALL DIVERSE PHOTOGRAPHY & FILM LOCATION

| Countryside location | 10 minutes from the coast at Aldeburgh |
| 2.5 hours from London | Accommodation & Free Parking |

A multi-location venue with diverse interior and exterior options, Glemham Hall has been a first class choice for production and shooting for the last 10 years. Having worked with a number of leading fashion photographers in publications such as Italian Vogue, Town & Country and Brides Magazine, we are very experienced in providing every kind of hospitality for your shoot.

Glemham Hall is an outstanding mansion house location, set within 300 acres of private parkland, surrounded by farmland and woods, just 10 minutes from the Suffolk Coast and 2.5 hours' drive from London.

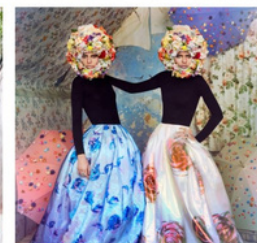

If you're looking for a friendly location for photographic shoots or filming, Glemham Hall provides the perfect opportunity. You will be able to make use of a large proportion of the Hall, gardens and surrounding parkland. Access to attic rooms, the cellars, private bedrooms, bathrooms & reception rooms will be granted – and most importantly, we stand back and give you creative freedom for your project.

“

Thank you for all your help to make our shoot come together. It was an absolute pleasure working with your team, thank you for making the process so seamless and for looking after us so well.

- Steph at Padbury Production, for Tim Walker

With grand interiors and bedrooms, in addition to the untouched attics and cellars, outbuildings (to include a Georgian coach house and 1920s squash court), extensive landscaped gardens, permanent marquee and parkland, we offer great opportunities to suit all location requirements for your next shoot. In addition, there is ample free private parking and vehicle access to make shoot logistics easy.

Your crew may also benefit from accommodation within Glemham Hall across 10 bedrooms. Please note that the bedrooms do form part of the interior location.

In addition, we offer a full catering service for breakfast, lunch & dinner as required. All menus can be discussed and created bespoke to your needs.

“

I'm writing to say a HUGE thank you for everything you did to make Flog It coming back to Suffolk such a success.

We couldn't be happier with how the filming and event went; I can't thank you enough for all of your effort to make the day run so smoothly, for all your help in advance and for clearing the hall of all that furniture.

Thanks again for everything you did; I wouldn't hesitate to bring other filming opportunities to Glemham Hall in future.

- Alex Habgood, Location Manager BBC Flog It

Glemham Hall is an unusual & unique place to work, rest and stay and we're sure that your clients will enjoy every minute of using this fabulous location! We look forward to hearing from you to discuss your next project.
